Once you have all of these items, the following questions are simple. We'll ask for your occupation, professional association, and some personal information, such as name, address, and e-mail.

Next, we'll review your Professional Liability insurance history, claims, licenses, complaints and compliance in a simple yes/no format.

After that, you have the opportunity to choose your employment status, which will determine your Professional Liability premium. The following questions will allow you to choose from the options offered for each occurrence, aggregate, and supplemental costs.

Finally, you'll be supplied with a series of choices for additional coverage to protect yourself against slip

and falls, add Additional Insureds, and apply discounts! Our discounts can equal up to 50% of the annual premium and we benefit

- Risk Management Course Graduates
- Recently Licensed/Certified Professionals

Once you've made it through those steps, you'll receive a quickly calculated premium and be able to make a payment. The quick application will allow you to find security today!
